Caliber presents a roadmap for the second half of 2025. There will be major updates (including a new unit), a unique game mode, enhanced customization features, and thematic events dedicated to holidays. Good luck and have fun out there! Hellish Heat Ranked Season Begins onJuly30! The 13th Ranked SeasonHellish Heatbegins onJuly30! Get ready to climb the leaderboards, earn Tokens, and purchase items from Armory. Procured Weapons: Common Outfits Its been a while since we posted any news: now its time to break the silence! Here is something about the next update 1.1.2. Two procured weapons will receive their classic Common outfits: SR-3 and AKS-74U. The owners of these guns will be able to change their appearance for free. The Summer Sale Continues! Were extending discounts on the website for another weekhurry to grab the best offers before July 17. Big Summer Sale Begins! There are discounts for a lot of items: 50% off Caliber+, 25% off Chernobog, 75% off Starter Pack, Outfit and Operator Bundles, Coins, and other items are on sale too! Anticyclone Legendary Outfits Are On The Website! Today, items from the Return of Legends Battle Pass became available on the website store. This Battle Pass was dedicated to the Anticyclone Legendary Outfits for the SSO collection. Update 1.1.1: patch note Update 1.1.1 is now available! New Sharp Eye Battle Pass as well asBack Into The Fray Referral Program awaits you. Additionally, we've worked on the karma system and fixed numerous known bugs. Check out the full list of changes in the patch note. Referral Program: Back Into The Fray! On June 11, were launching our traditional event which unites everyone: veterans, rookies, and those who have just returned to the game. Complete objectives, gain points, and claim valuable rewards! Sharp Eye Battle Pass From June 11, a new Sharp Eye Battle Pass will become available in Caliber. This is the second Weapon Battle Pass. Complete all four Episodes before July 30 to gain all rewards. Update 1.1.0: patch note The 1.1.0 update has been installed! Special events and lots of new content are already in Caliber. Victorious March: Twitch Drops From April 30 to May 10, a new Twitch Drops season called Victorious March will take place in Caliber. Support your comrades by watching their livestreams and gain rewards! Return Of Legends Battle Pass OnApril30, anew Return ofLegends Battle Pass will start inCaliber! This event isdedicated tothe elite SSO unit, and the main reward are the Legendary Anticyclone Outfits for this collection. Dress! Attention! May Discounts inCaliber! OnApril28, the Wargames Fest will take place onSteam. Its aspecial event for those who appreciate tactical gameplay, dynamic battles, and the atmosphere ofareal battle brotherhood. And Caliber will become apart ofthis holiday. RE: Balance SSO | Update 1.1.0 In the upcoming 1.1.0 update, all operators from the SSO collection will get a huge rebalance. There will be lots of changes, and each of them will significantly affect the gameplay. Get ready for the new tactics and operators refined abilities! Weapon Customization: Muzzle Equipment And Sight Preview In the 1.1.0 update, we continue to improve a weapon customization system. This time, were adding muzzle equipment for a number of basic weapon types: they will allow you to adjust the characteristics more accurately in order to match your individual playstyle. Storm Mode: 2025 OnApril30, the Common Cause: Victorious March event will start inCaliber, and the thematic Storm mode will return! Common Cause: Victorious March On April 30, the annual big Common Cause event will begin in Caliber. During this event, the entire community must unite to achieve a common victory together, step by step. Each player who contributes to Common Cause will receive valuable rewards. The main thing is not to stand aside. New Missions: Hospital And Oil Platform In update 1.1.0, two new PvE missions are coming to Caliber: they will take place on the Hospital and Oil Platform maps. Karma: Being a Good Guy Has Its Benefits! With the 1.1.0 update release, a karma system will appear in Caliber: it will allow you to give a thumbs-up to those who fought with dignity, whether its your teammate or even the enemy team. Discounts On Zlatniks, Return Rewards, And PH For Coins In Caliber, there will be an array of exciting events and attractive offers for all players, both new and experienced. Ruscruits VSLizards Collaboration THIS ISNOT AJOKE! WEREPEAT! THIS ISHAPPENING RIGHT NOW! Caliber and Lizards Must Die 2Have teamed up tomake aninsanely bold collaboration. 1 Limited supply - 1 item per 1 account! Caliber+ saves time and Credits when upgrading operators, and grants permanent access to User Battle creation and expanded account statistics. Your operators will always be at maximum level. All available and purchased operators will be at maximum level with a standard set of upgrades.\* Get operators and their Personal skills faster. You won't have to spend Credits to upgrade operators anymore. Use your in-game currency to purchase new operators and alternative upgrades. More game modes in User Battles. You'll have permanent access to the expanded list of User Battles modes, even without active Premium. Access to expanded Account Stats. Track your E/D/A stats in ranked battles, and extensive data on your play: eliminations, assistance, healing, damage dealt, and hours played as each class in every mode. For the best experience, use portrait mode. . . . . // . . . . . Caliber is a free online game. You can download it right now with one click right now and play it whenever you want.
