then each person present takes a turn to speak about the importance that principle has to himself or herself.201712 Section CDickens is compared with the Mona Lisa in the text to stress his importance in literature.2018 A Every college discussion about community values, social climate and behavior should include recognition of the developmental importance of student autonomy and self-regulation, of the necessary tension between safety and self-discovery.2016 D If you feel stressed by responsibilities at work, you should take a step back and identify those of greater and less importance.20162 It is a recognition of the importance of other people.2015 B It was a change that took place without being noticed though it was of the extreme importance, a spiritual change which affected the whole state.2015 D Mothers' importance shows in family all year long.2015 C Remind the reader of the importance of science.2015 E The example of asian-American parents implies that parents should help children realize the importance of schooling.2015 B With all the programs, teamwork is key as trainees learn the importance of leadership and being part of a bigger task.2013 B But in dealing with the young, the fact of association itself as an immediate human fact, gains in importance.-2009When one of these noneconomic categories is threatened and, if we happen to love it, we invent excuses to give it economic importance.-2010The supposed importance of influentials derives from a plausible sounding but largely untested theory called the two step flow of communication: Information flows from the media to the influentials and from them to everyone else.-2010Beethoven's importance in music has been principally defined by the revolutionary nature of his compositions.-2014The Heart of the Matter, the just-released report by the American Academy of Arts and Sciences (' , AAAS), deserves praise for affirming the importance of the humanities and social sciences to the prosperity and security of liberal democracy in America.-2014"The Heart of the Matter," the just-released report by the American Academy of Arts and Sciences, deserves praise for affirming the importance of the humanities and social sciences to the prosperity and security of liberal democracy in America.2014 Section According to the standard history of American philosophy, nowhere else in colonial America was "So much importance attached to intellectual pursuits. "2009 Section The supposed importance of influentials derives from a plausible-sounding but largely untested theory called the "two-step flow of communication": Information flows from the media to the influentials and from them to everyone else.2010 Section We are all becoming increasingly aware of the importance of modeling tolerance and patience for the younger generation.2020 Section View synonyms for importancethe quality or state of being important; consequence; significance.Synonyms: concern, weight, momentimportant position or standing; personal or social consequence.consequential air or manner.an air of bustling importance.Obsolete., an important matter.Obsolete., importunity.Obsolete., import or meaning.the state of being important; significancesocial status; standing; esteemoobsoletemeaning or significationan important matterimportunityCollins English Dictionary Complete & Unabridged 2012 Digital Edition William Collins Sons & Co. Ltd. 1979, 1986 HarperCollins Publishers 1998, 2000, 2003, 2005, 2006, 2007, 2009, 2012preimportance noununimportance nounImportance, consequence, significance, moment all signify something valuable, influential, or worthy of note. Importance is the most general of these, assigning exceptional or notable value or influence to a person or thing; the importance of Einstein's discoveries. Consequence may suggest outstanding personal quality or position, or it may suggest importance because of results to be produced: a woman of consequence in world affairs, an event of great consequence for our future. Significance can be used interchangeably with importance or consequence, but it carries also the implication of importance that is not readily or immediately recognized: The significance of the discovery only became clear years later. Moment, on the other hand, almost always refers to immediately apparent, self-evident importance: a change of great moment for the nation's political system.Examples are provided to illustrate real-world usage of words in context. Any opinions expressed do not reflect the views of Dictionary.com.One shows the Princess of Wales sharing her relief at having finished chemotherapy treatment, and reflecting on the importance "of simply loving and being loved".With the November nonfarm payrolls report from the Bureau of Labor Statistics delayed until Dec. 16, the numbers could take on added importance for Wall Street.Theaters importance as a locus of intelligent inquiry and intellectual fermentnot momentous, alasowes a great debt to his influence.Read more on The Wall Street JournalThe charity said it showed the importance of habitat restoration, because good weather alone is not enough to reverse decades of decline.In this study, repetition served as a stand-in for importance, letting researchers compare frequently repeated contexts with those seen only occasionally.Read more on Science DailyimportantBrowse#aabbccddeeffghhijjkkllmmnooppqqrrssttuvwxyzAboutCareersContact usCookies, terms, & privacyHelpFollow usGet the Word of the Day every day! 2025 Dictionary.com, LLC
