The Alcatel GO FLIP™ 4 features a familiar flip design with dual color displays. The external 1.44" display gives you a preview of who's calling and discreetly alerts you of new notifications without opening the phone. Read messages with ease on the 2.8" internal display that can be personalized with large text and increased brightness. The large buttons, simple interface, hearing aid compatibility and other accessibility features enable any user to stay connected. Keep what's important at your fingertips with dedicated shortcut keys to your Favorite Contacts and Messages. Alcatel GO FLIP™ 4 is the flip phone with all the familiar features you love and none of the hassle. KaiOS 3.0 allows you to navigate popular apps with ease. Plus, tools like Calendar, and Email keep you productive on the go. Enjoy clear calls with the amplified sound from the loudspeaker, or go hands-free with a wired or Bluetooth headset for additional privacy. Either way you choose, 4G LTE provides HD voice for excellent call quality. Go on a camping trip or talk to your friends for hours on the reliable Alcatel GO FLIP™ 4. The long-lasting battery delivers more than 18 days of standby time and over 12 hours of talk time. The quad-core processor provides a smooth experience when playing games or using apps like Email and Calendar.
